

THE LSINC PERIVALLO360M SOLUTION

- Prints on glass, metal, wood, plastic & ceramic
- Prints high-resolution images
- Prints on cylindrical, conical and contoured substrates
- Prints up the neck and on the shoulder

Contours Cylinders Tapers

COMPETITIVE ADVANTAGES:

- **Printing on cylinders, tapers and contours in one machine**
- Seamless 360° printing
- Improved image alignment for out-of-round media
- 33% taller media at 406mm
- 69% taller prints at 406mm
- Ability to print wider range of diameters from .75in to 5.5in
- Larger diameter range without adapter kits
- System can be configured with light colors for a wider gamut
- Patented and Patent pending technologies

PRODUCTIVITY:

- **Ability to stack media with special fixtures and intermediate rests for 2, 3, and 4 up printing!**
- Auto-priming feature reduces purging and saves ink
- Stored default settings reduce set-up time and improve consistency
- Cure lamps cover the full available image height so there is not need to add or remove lamps when changing images or media
- Automated Drip Tray extends and retracts automatically preventing spills and reducing operator workload
- Preventative maintenance diagnostics included
- Redundant media detection
- Prints with or without jettable primer to increase production rates
- Remote diagnostics & support available
- Dynamic pressure management to reduce starvation and color shifting on larger floods and long runs

PRODUCTION SPEEDS

- 12 oz. cans - 3.34/minute
- 32 oz. cans - 3.66/minute
- 750mL Bordeaux (4" high image) - 2.9/minute

SAFETY:

- In-machine curing prevents stray UV light exposure for operators
- Lamp segments are automatically turned on and off to align with the object reducing power utilization and stray light generation
- Light curtain & door safety switches prevent operator from coming into contact with moving components

PERFECT FOR:

- **Smaller print runs of branded materials**
- Customized/ Personalized media
- Corporate gifts
- Prototypes
- Pharma/Beauty Packaging

PRODUCTS:

- Wine Bottles
- Sports Bottles
- Tumblers
- Stemless Wine Glasses
- Barware
- Vases
- Cosmetics
- and more!
